The Forester Run

Sunday 15th May 2011

Road Book

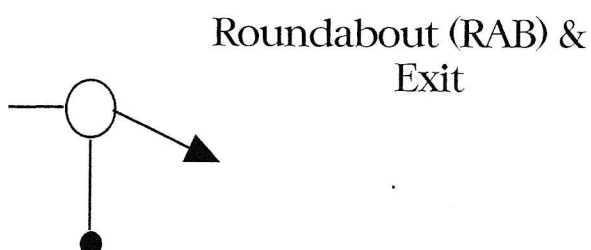

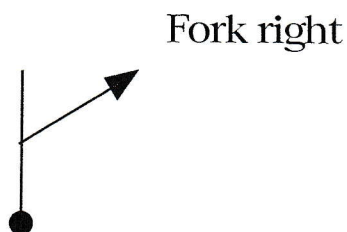

Information & Instructions

Notes on Road Book.

1. All mileages are from Steve & Gill's + one other Land Rover Freelander plus the Brantz 2 Pro Trip meter fitted to their Austin Healey 3000.
2. Expect variations of + or - 0.2 miles
3. Expect variations for your car, you all probably know how accurate - or not, your odometers are on your cars! Despite our best efforts, the Road Book may contain errors! The route is on OS Sheets 198 & 199
4. The term 'signed' (name of village/town/place etc) doesn't necessarily mean that you will be going to that place, just head in that direction - **PLEASE read all instructions carefully**

'Tulip' Instructions and notes.

For those who may not be familiar with 'Tulip' style road book instructions, the main thing to remember is that you start at the black spot (tulip bulb) and leave via the arrow head. See examples below.

Where possible, tulips have been drawn to resemble what you will see in front of you when you reach each way point (WP) road numbers and names have also been included where possible.

The route has been designed to suit all engine sizes, so please observe all speed limits and road traffic laws.

Your entry number is based on the age of your car, the oldest leaving first. Cars will be dispatched at 1 minute intervals from approximately 9.15 - 9.30am. - Look out for our photographer as you leave!

It is anticipated that cars will arrive at Bodiam from 11am., where there will be a 2 hour stop, which will give you time for refreshments and a look round before leaving in time to reach the hospice for 3.15pm and the hog roast, prize giving and raffle. When you arrive at the end of the Run, please park as directed by the Marshals, who will then show you to the Day Centre. Please do not arrive before 3.15pm as the team will not be ready for you and be mindful of the hospice patients and please keep engine noise etc. to a minimum.

Thank You - Have a safe and enjoyable day - The Forester Run Team.

Forester Run -2011 Stage 1

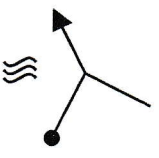

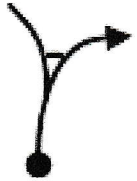

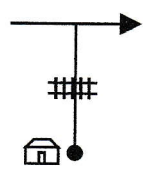

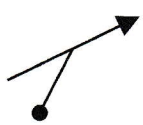

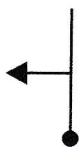

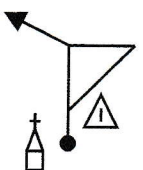

Author: Steve Everest

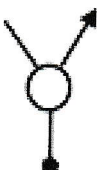

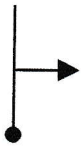

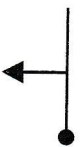

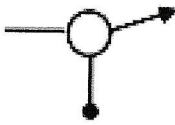

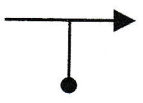

Description:

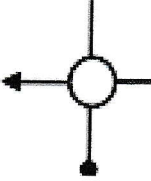

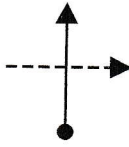

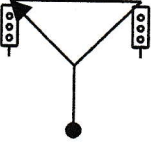

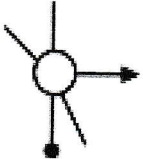

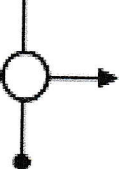

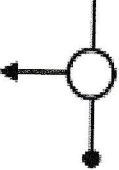

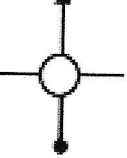

Start - Bluebell Railway to Mid-way Point - Bodiam Castle.
Please observe ALL speed limits. Take care as some roads are narrow with passing places. Route Planned on OS Maps 198+199
